Summer Concert Information: We will have THREE Summer Concerts in 2019. Before registering, please note which concert(s) your dancer will be performing in. These are listed next to each class instructor's initial on the schedule either 1, 2, 3 or ALL if performing in all concerts. We divide the concerts for the convenience of the majority of our families. This way most will have their dancer(s) in only one show. If you have children performing in multiple concerts, and you wish to attend multiple concerts, you will have to purchase tickets for each show. Beginning Pointe does not perform in the Summer Concert. Discover w/Me, DiscoverTots, DiscoverDance 1, DiscoverDance 2, and Primary Acro do not perform in the Summer Concert. These classes have their own showcases in the Winter and Spring. **See other side for more class options.**
