# Summer Concert ~ Hair and Make-Up Instructions

## Hair Supplies

These supplies can be found in most discount, drug stores, or beauty supply stores.

Ponytail holders (matching hair color)	Hair net (s) (matching hair color)
Bobby pins (matching hair color)	Firm hair spray
Brush and comb	For short hair (bun donut* or fake bun**)
Gel	Costume accessories (if applicable)
Barrettes (matching hair color)	No glitter spray/sparkles in hair

## How To Make A Bun

Apply hair gel **generously** to wet hair, from roots to ends. Part hair on your dancer's left side and line up the part with the pupil of the eye. Brush or comb hair back into a ponytail, approximately 2 inches above the nape of the neck. If the dancer has heavy/thick hair, 2 or 3 ponytails can be placed close together to relieve the weight of just having 1 ponytail. To create the bun, twist wet, gelled hair from the ponytail and wrap it around the base of the ponytail, pinning as you go around. Be sure to use thick hair pins in a color that matches your hair. Cover the bun with a hair net by twisting the net over the bun until you have at least two layers of netting over the bun. Wrap the remaining net around the base of the bun and secure it with hair pins. Be sure to use a hair net that matches your hair. Add bobby pins in an X shape or use barrettes to provide a strong hold and to secure bangs and fly-aways. Be sure to use bobby pins or barrettes that match hair color. **All** bangs, layers, and fly-aways must be gelled and secured down. Finish with lots of hair spray. Hair should resemble a shiny helmet when done!

## Hair HELP!

*"Help! We have tried to grow her hair long but it is thin and she doesn't have enough hair to make a bun."*

First, follow the bun instructions. Slick all the hair, including bangs, into a ponytail. Secure the wispy hair and bangs with gel and bobby pins making X's all the way around the head. If you do not have enough hair in the ponytail to make a bun, you can add a fake bun\* or wrap hair around a hair donut\*.

*"She has a short haircut."*

First, follow the bun instructions. Slick all the hair, including bangs, into a ponytail. Secure the wispy hair and bangs with gel and bobby pins making X's all the way around the head. If you have a stub for a ponytail, the fake bun\* is the perfect solution. If the cut is very short in the back, like a pixie, just leave the back alone.

*"She has so much hair that I can't get it to stay up."*

Make sure you are using a thick, large, coated band that will hold all the hair. Two or three ponytails can be placed close together to relieve the weight. Then take 1 large ponytail holder and wrap around the ponytails to hold all of them together. Braid ponytails. Place thick hairpins in X shapes as you wrap the braids around the base of the bun. Use 2 hair nets to cover and wrap bun.

**Fake Bun\*** - there are different styles of fake buns that attach to the ponytail in various ways.

**Hair Donut\*** - hair is pulled through the center of the donut, wrapped around it and pinned in place.

\* Fake buns and hair donuts can be found at beauty supply stores and dancewear suppliers.

## Make-Up

Stage make-up is very important for picture and video quality. **All** dancers are expected to wear the following products (available in Elite's make-up kit or at local stores):

- Foundation - matching skin tone, over entire face (not included in the make-up kit).
- Eye shadows - "Maybelline" 10S *Vanilla* and "Maybelline" 225S *Made for Mocha*.
- Apply *Vanilla* shadow over entire lid and *Made for Mocha* in the crease. Blend well.
- Black mascara - apply to both upper and lower lashes (not included in the make-up kit).
- Black eyeliner- applied above and below the eye (not included in the make-up kit).
- Blush - Maybelline *Fit Rose* or CoverGirl *Natural Twinkle*.
- Lipstick - Maybelline #425 *Plum Paradise*.

## NUDE LEOTARD/NUDE BRA

Nude leotards and/or Bras are REQUIRED for dancers that have 2 or more dances. The nude leotard/bra gives your dancer the ability to change in and out of costumes while ensuring their privacy. The straps are adjustable and should match the lines of the costume. Tights should be worn over the nude leotard if your dancer is wearing 2 different type/color of tights. This way, the dancer does not need to take the leotard off to change tights. **We recommend shopping early as these items are in high demand this time of year.**

*Please see sample sizes in the lobby as there are no refunds or exchanges on these items.*

Nude Leotards are available in Child sizes: Medium and Large and Adult sizes: Petite, Small, Medium, Large, and X-Large (\$24 - child, \$26 - adult). Nude Bras are available in Adult: Petite, Small, Medium, Large and X-Large (\$30)

Leotards and Bras can also be purchased on your own through a local dance store or ordered through online dancewear sites like DancewearSolutions.com or DiscountDance.com.

## TIGHTS

If your costume required tights, they were included in your costume fee and will be given out with the costume. If you would like additional tights, you may order them from our website. All tights worn at the Summer Concert must be purchased through the Elite website to ensure uniformity. If you are ordering additional tights, please check the tight chart located in Elite's lobby or online to ensure you order the correct type/color of tights. Child Sizes are \$12 and Adult Sizes are \$14.
